### [Join the next Denver Community Network Meeting](#)

Community Network Meetings are about connecting the community to Denver Human Services (DHS), and vice-versa. These meetings give the community a chance to learn more about DHS. They also put community partners in the spotlight, giving them time to share about their own services.

Join the next meeting to learn and grow from people, organizations, and agencies across Denver. **Feb. 3, 2023** is the first Community Network Meeting of the year. The topic will be *Immigrant and Refugee Resources*, which will include:

- **DHS Updates:** Migrant Emergency Response Updates and Food/SNAP Max allotment ending in February
  - **Virginia Vassar:** Denver Public Library - Plaza Program
  - **Ola Kukoyi:** Denver Human Services - New Americans Integration Network (NAIN)
  - **Benzir Shrestha:** Denver Human Services - Unaccompanied Refugee Minor program
  - **Virtual Networking**
